As they straighten out for the stretch in the Departmental Bowling League, Interior looks like a sure winner.

Should it lose the remaining three games, the best the Bureaus can do, by winning their last three sets, is to the leaders, and the latter would have faem faded on total pins, as they now have a team average of 956 against the favorites, as Navy has three of the strongest teams in the league to meet.

Miller is pressing Field closely for the individual championship, and is now less than a point behind him, with nine games to bowl and going strong. Lemmon, who was recently in second place, has gone off his stride and cannot finish better than third.

NEW YORK, April 3.—New York is to have a new boxing club fashioned after the style of Peggy Bettinson's institution in London. Charley Harvey is to be the deus ex machina of the new club. Harvey is in the front rank of the importers of English jongs. He is American sponsor for Owen Moran, Johnny Summers, Pat O'Keefe, and others. While he is not yet ready to take the public into his confidence as to his plains, it is understood that he purposes to make his new club something of an international affair, matching the best American fight. Hackenschmidt and his manager are considering the proposition. New York and London have been suggested as places where the fame of the men and the international issue of physical superiority might be coined into perhaps \$40,000 more of good American money. Hackenschmidt will first tour the country wrestling local champions and then aumounce his decision. W. W. Wittig, the promoter, who cleared \$16,000 by the match, will take the big Russian to his farm in Minnesota for two weeks' fishing before he again begins to gather in admission money.

When he first woke up late today Hackenschmidt did not look with much favor on a return match and announced that he was done with wrestling; that his matches with Seibasco in London and with a few lesser lights would be his last appearances in the rings. Surprised by the result of the match there was some talk in Chicago tonight among the sports that the match had been faked. These men pointed to the way Hack left the ring as bearing out their statements. Experts here are agreed, however, that it was no fake.

Stiles' Slashing Drive Leaves Amherst in the Lurch.

ANNAPOLIS, Md., April 4.—The base-ball nine of the Naval Academy defeated Amherst here this afternoon by 6 to 5.

The game was ended when Stiles, the Navy first, drove a slashing hit in the last inning which drove Gillam in ahead of him with the winning run. Stiles could easily have scored himself but for the provision of the rules ending

The game was an extremely interesting one, though the visitors played rather loosely in the field. Amherst took the lead with three runs in the fourth inning, but the Navy made four in the sixth. In the seventh, Amherst again went ahead by a run. In the ninth Bacon took second on Duptil's error, stole third, and came home on Kane's fumble, which also put Gillam on first. Stiles then drove the ball to deep center, bringing Gillam across the plate.

## RUSSELL OUTPOINTS MELLODY, OF BOSTON

It was a give and take exhibition with the first round about even. Mellody did all of the forcing in the second round and had the advantage.

This was the only round in which the Bostonian shone. After this Russell took the lead and kept it until the end.

## BATTLE OF PITCHERS GOES TO BOSTONIANS

Fast fielding by either team was impossible on account of the high wind. Kelly and Chapin, of Technical, starred at the bat, the latter making a terrific drive to left for three bases, scoring two runs, and the latter making four hits, one a two-bagger, all of which figured in the result. The two pitchers, Reidad and Fisher, twirled good ball, but the former was more fortunate in his support.
